EXECUTIVE SUMMARY

Results oriented banking compliance professional with five years of progressive experience at **Nepal Investment Mega Bank Limited**. Specialised in operational compliance monitoring, account documentation reviews, internal policy adherence, and Nepal Rastra Bank (NRB) regulatory requirements. Proven track record in discovering account level irregularities, conducting branch inspections, following up with branches on corrective actions, and escalating high risk AML/CFT concerns to the specialised AML Unit. Leverages a unique multidisciplinary background combining an **MBA in Project Management** and a **B.Tech (Computer Science and Engineering)** to drive analytical rigour and tech enabled regulatory compliance across CBS, Finacle, and World-Check.

PROFESSIONAL EXPERIENCE

Junior Officer: Compliance

May 2022 – Present • Kathmandu, Nepal

Nepal Investment Mega Bank Limited

- **Core Compliance Monitoring:** Scrutinise retail and corporate accounts using CBS, Finacle, and internal reporting tools to detect operational irregularities, scheme deviations, and regulatory breaches.
- **Account Lifecycle & Discrepancy Audits:** Audit account scheme changes, charge and fee deductions, interest calculations, and eligibility thresholds; systematically follow up with branches to remediate exceptions.
- **Vulnerable & High Risk Retail Reviews:** Conduct targeted reviews of minor, homemaker, and student accounts for scheme eligibility, KYC gaps, anomalous transaction velocity, and undisclosed beneficial ownership risks.
- **Dormant Account Surveillance:** Scrutinise dormant account reactivations, validating reactivation documentation, operational legitimacy, and post-activation transaction velocity to prevent unauthorised or fraudulent reactivation.
- **Cross-Border, Expat & NRN Compliance:** Review foreign national, refugee, and Non-Resident Nepali (NRN) accounts to guarantee valid regulatory identification, passport/visa documentation, and account operating mandates.
- **Commercial Misuse Detection:** Investigate personal accounts for unauthorised commercial/business use and detect illegitimate tourist account facility operations.
- **AML/CFT Risk Escalation:** Detect red flags and suspicious transaction patterns; compile detailed case summaries for swift escalation to the AML Unit for Suspicious Transaction Report (STR) / Suspicious Activity Report (SAR) determinations.
- **Branch Inspections & Remediation:** Execute onsite branch audits and offsite compliance evaluations; prepare compliance reports and coordinate corrective actions with branches.
- **Staff Training & Capacity Building:** Train newly recruited trainees on AML/CFT principles and internal compliance procedures.
